Welcome/Introductions:

Auditor Grove went through introductions of the committee members.

Previous/Recent Improvements

Terry went over the previous improvements and changes, one big improvement with elections was the change for voter registrations. Now voters can register up to 8pm the night of the election at our office.

Recent Improvements/Changes

Terry announced The Secretary of State's Office conducted the 5-year state review in 2020 and we passed with flying colors.

Doug said that the ADA doors in the Historic Courthouse basement were corrected and they matched the façade of the building. Employees can enter in the building after hours. Also the elevator has been improved and is more reliable.

Planned Improvements/Changes

The next improvement will be the movement of the elections drop box from the Chehalis Ave (formally the Star Tavern) to the new and improved Health Department parking lot. This move is greatly needed as the parking lot has pot holes and is not in a very good spot.

Lewis County DAC Plan

Tom asked if there was anyone that had questions or concerns on the DAC plan to please email Terry as our zoom meeting is limited in time. Terry.jouper@lewiscountywa.gov

Terry concluded that the next meeting is slated for March 2022

There being no further business, the meeting was adjourned.
