RESOLUTION NO. 2022-19

A RESOLUTION of the Board of Directors of Centralia School District No. 401, Lewis and Thurston Counties, Washington, providing for the submission to the qualified electors of the District at a special election to be held therein on February 14, 2023 of the proposition of whether excess taxes should be levied of \$6,700,000 in 2023 for collection in 2024, and \$7,600,000 in 2024 for collection in 2025, said excess taxes to pay part of the cost of educational programs and operations support of the District.

WHEREAS, Centralia School District No. 401, Lewis and Thurston Counties, Washington (the "District"), in prior years had in effect an educational programs operations levy in order to enable the District to pay for its educational programs and services, including teaching, school supplies, athletics, buildings and transportation; and

WHEREAS, the current educational programs and operations levies expires this year and

WHEREAS, the money in and to be paid into the General Fund of the District during the 2023-24 and 2024-25 school years will be insufficient to enable the District to pay for eligible educational programs and operations and to properly meet the educational needs of the students attending District schools; and

WHEREAS, in the event the State Legislature increases education funding to the District, the District would, therefore, review annually and determine the need to roll back the levies; and

WHEREAS, in order to properly provide for such educational programs and operations and such educational needs, the Board of Directors of the District deems it necessary to levy the following taxes upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

- A. A tax of approximately \$1.50 per thousand dollars of assessed valuation to provide \$6,700,000, said levy to be made in 2023 for collection in 2024; and
- B. A tax of approximately \$1.50 per thousand dollars of assessed valuation to provide \$7,600,000, said levy to be made in 2024 for collection in 2025.

WHEREAS, the Constitution and laws of the State of Washington require that the question of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their ratification or rejection;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF CENTRALIA SCHOOL DISTRICT NO. 401, LEWIS AND THURSTON COUNTIES, WASHINGTON, as follows:

Section 1. The following taxes for the District's General Fund should be levied upon all of the taxable property within the District in excess of the maximum annual tax levy permitted by law to be levied within the District without a vote of the electors:

A. \$6,700,000, said levy to be made in 2023 for collection in 2024; and

B. \$7,600,000, said levy to be made in 2024 for collection in 2025.

The estimated levy rate depends upon the final dollar amount of assessed value of the property within the District. At this time, based upon information provided by the Lewis County Assessor's office, the levy rate for the 2024 levy is \$1.50 per thousand dollars of assessed valuation, and the levy rate for the 2025 levy is \$1.50 per thousand dollars of assessed valuation. The exact levy rate shall be adjusted based upon the legal limits and the actual assessed value of the property within the District at the time of the levy. Upon approval by the voters of the proposition substantially in the form set forth below, the District may use the proceeds of said levies during the 2023-24 and 2024-25 school years by incurring an indebtedness by the issuance of short term obligations against the General Fund of the District as authorized by Chapter 39.50 RCW, and by contracting indebtedness pursuant to RCW 28A.530.080, and may expend the proceeds of said levies to pay such part of the general expenses of educational programs and operations of the District during such school years as may be authorized or allowed by law for the use of excess levy funds.

Section 2. It is hereby found and declared that the best interests of the District require the submission to the qualified electors of the District of the proposition of whether or not the District

shall levy such excess tax for their ratification or rejection at a special election to be held therein on February 14, 2023.

The Lewis County Auditor, as *ex officio* supervisor of elections in Lewis County, Washington, is hereby requested to call and conduct said special election to be held within the District on said date and to submit to the qualified electors of the District the proposition substantially in the form hereinafter set forth. The Secretary of the Board of Directors is hereby authorized and directed to certify said proposition substantially in the following form:

EXPLANATORY STATEMENT- PROPOSITION NO. 1

Passage of Proposition No. 1 would allow the levy of \$6,700,000 in property taxes within Centralia School District No. 401 for collection in 2024 and the levy of \$7,600,000 for collection in 2025 to replace an expiring levy, on all taxable property within the District, to support the District’s educational programs and operations. In accordance with Resolution No. 2022-19 approving this proposition, these taxes would be collected over two years and deposited in the District’s General Fund to pay part of the educational programs and operations support of the District. If authorized by the voters, and based on projected assessed valuation information, estimated levy rates per \$1000 of assessed value would be \$1.50. The exact levy rate shall be adjusted based upon the action assessed value of the property within the District at the time of the levy. In the event that a program is implemented that would increase State funding to the District, the District would, therefore, review and determine the need to roll back the levies.
