LEWIS COUNTY FIRE PROTECTION DISTRICT NO. 11

RESOLUTION NO. 08-02-24

RESOLUTION PROVIDING FOR THE SUBMISSION OF LEVY
GENERAL ELECTION

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF LEWIS COUNTY FIRE PROTECTION DISTRICT NO. 11 PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON NOVEMBER 5, 2024, IN CONJUNCTION WITH THE STATE GENERAL ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION AUTHORIZING THE LEVY OF A PROPERTY TAX NOT TO EXCEED \$1.50 PER \$1,000.00 OF TRUE AND ASSESSED VALUATION SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS.

Background: WHEREAS, it is the judgment of the Board of Commissioners of the District that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

WHEREAS, The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved capital facilities and firefighter safety, additional apparatus, maintenance and operations in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately \$.47 per \$1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation.

WHEREAS, The Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Resolution: NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Lewis County Fire Protection District No. 11 Lewis County, Washington as follows:

Section 1. It is necessary for the District to operate and maintain emergency fire and medical service vehicles, to acquire and improve station and other capital facilities and to retain properly trained personnel equipped with proper fire fighting and emergency medical equipment. The revenues generated by this lid lift will allow the District to cover the gap between inflation and the statutory one percent limit on increases to the Districts' budget to fund apparatus replacement and facility upgrades and to provide for investments in firefighter safety all of which are necessary to maintain and improve the level of fire protection, prevention, emergency medical services and the protection of life and property in the District.

Section 2. In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the one percent limitation on regular property taxes imposed by RCW 84.55.010, and levy beginning in 2024 and collect beginning in 2025, pursuant to RCW 52.16.130, RCW 52.16.140 and RCW 52.16.160, a general tax on taxable property within the District at a rate of \$1.50 per \$1,000.00 of assessed valuation subject to otherwise applicable statutory limits.

Section 3. The amount levied in 2024 and collected in 2025 shall serve as the District’s tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Section 4. There shall be submitted to the qualified electors of the District for their ratification or rejection, at an election on November 5, 2024, in conjunction with the state General election to be held on the same date the question of whether or not the regular property tax levy of the District should be established at \$1.50 per \$1,000.00 of true and assessed valuation in 2024, subject to otherwise applicable statutory limitations. PROPOSITION NO. 1

BALLOT ISSUE EXPLANATORY STATEMENT

(250 word limit)

Lewis County Fire Protection District No. 11 provides emergency fire protection and medical services to its citizens.

Due to the statutory 1% limitation on property tax increases, the Fire District's current levy has dropped to approximately \$.47 per thousand in 2023. If approved by the voters, this proposition will authorize the District to establish its levy rate \$1.50 per \$1,000 of assessed valuation in 2024 for collection in 2025. The dollar amount levied in 2024 shall serve as the District's future tax levy base subject to the statutory 1% limitation.

The District's Board of Commissioners has determined that this proposition is necessary to maintain an effective level of services, fire fighter staffing, equipment and facilities in light of rising costs, rising demands and the continued growth of our community. Approval of this measure will allow the District to maintain the level of fire protection and emergency medical services provided to its citizens while also providing for firefighter safety.
