Prepare Your Filing Fee

Cost of filing, accepted forms of payment, and filing fee petitions

Chapter 03

You must submit your filing fee with your Declaration of Candidacy.

Cost of filing

Your filing fee is based on the salary of the office. For offices without a fixed annual salary, candidates pay no filing fee.

For any office with a fixed annual salary of \$1,000 or less, candidates pay a filing fee of \$10.

For all offices with salaries exceeding \$1,000, candidates pay a fee equal to one percent of the office's fixed annual salary.

Specific filing fees are available in the list of offices open for election on page 1-11 of this guide.

Accepted forms of payment

Online filing requires a credit card, either Visa, MasterCard or debit.

Candidates who file in person or by mail with Lewis County Elections may pay via:

- Check
- Cash
- Money order
- Valid filing fee petition

Filing fees are nonrefundable, even if you withdraw or file for the wrong office.

Filing fee petitions

Candidates without sufficient assets or income to pay the filing fee may instead submit a filing fee petition. *

Petitions must include a total number of valid signatures equal to the dollar amount of the filing fee.

Without the required number of signatures, the petition is insufficient, and the Declaration of Candidacy is invalid.

A sample Filing Fee Petition page is available at www.votewa.gov under the "CANDIDATES" tab can be found on page 19 of this guide.

A candidate submitting a filing fee petition cannot file their Declaration of Candidacy electronically. You must submit a paper declaration along with your petition.

Filing fees may not be paid by combining petition signatures and currency.

Valid signatures are those of voters registered in the same jurisdiction as the office of filing.

No additional signatures are accepted after initial submission with the Declaration of Candidacy.

Petition sheets are not returned to the candidate even if the petition is insufficient.

Each petition page must:

- Be printed on uniform color and size paper
- Include a place for each voter's registration name, address, city, and county
- Provide 20 numbered lines or less
- Display the required warning and statement found in [RCW 29A.24.101](#) and [RCW 29A.72.140](#)

SAMPLE

Public Disclosure Commission Information

PDC frequently asked questions and resources

What is the PDC

The Public Disclosure Commission (PDC) was created and empowered by Initiative of the People to provide timely and meaningful public access to accurate information about the financing of political campaigns, lobbyist expenditures, and the financial affairs of public officials and candidates, and to ensure compliance with and equitable enforcement of Washington's disclosure and campaign finance laws.

What starts the process

Become a candidate to start the process. According to disclosure law, you become a candidate when you do one of these things:

- Accept a contribution or spend money for your campaign
- Reserve space or purchase advertising to promote your candidacy
- Authorize someone else to do any of these activities for you
- State publicly that you are seeking office
- File a Declaration of Candidacy

Once I become a candidate, then what

Within two weeks of the date you become a candidate, you must file a Personal Financial Affairs Statement and a Candidate Registration with the PDC, if required.

Candidates for state or local office should refer to the Washington State Public Disclosure Commission for reporting requirements.

An incumbent officeholder who has filed an F-1 earlier in the year does not need to file a second F-1 in the same year after becoming a candidate.

Do I have to file disclosure reports?

One of two things determines what a candidate discloses. For most candidates, it's the number of registered voters in the jurisdiction where the candidate runs for office. How much money a candidate raises or expects to raise determines what reports are filed by someone running for office in a very small jurisdiction (less than 5,000 registered voters).

Where to find instructions

Find brochures, manuals, and other filer resources at **www.pdc.wa.gov**.

Submit questions to the PDC's online help desk.

The PDC also offers free compliance training and online training videos.

3 **Statement**
Senator Magnuson has always given the highest priority to advocating for children and families, including veterans, the elderly and disabled. Scourges such as identity theft, methamphetamine users and dealers have been the subject of his legislative efforts to increase penalties and protect victims.

District growth has been more than 30% over the past two years, creating a strain on schools and other services. He helped make difficult choices to balance needs and restrain the budget, working to secure funding for the Pierce County Skills Center in Frederickson, the Yelm Loop, the Cross Base Highway, the Orting Bridge for kids, the Nisqually-Mashel State Park, an upgraded early warning system and work to keep transportation dollars here at home.

Warren advocated for in-home intervention, home health care, support and chore services for children with developmental or behavioral disabilities, seniors and the disabled. He worked to extend the property tax deferral program – helping people whose homes have increased in value, but have not had an increase in income.

He believes the WASL should only be one of several tools used to measure academic success. Warren is honored to represent you and he is and always will be, there for you.

Helpful candidate statement tips

The candidates' statement portion of the Online Voters' Guide is your opportunity to show the voters who you are. Think of it as a resume to the voters.

Do:

- Offer your vision for the future. Be positive.
- Write what you stand for or support.
- Describe your goals, if elected.
- Detail what makes you a great candidate.

Don't:

- Criticize your opponent or other individuals.
- Name people specifically or make references to "my opponent" or "the incumbent".
- Make false or misleading statements.
- Use technical terms that may not be understood.

Keep your statement simple and write in the narrative. You may seek help when writing your statement, but it is ultimately your responsibility.

Do this!	Not this!
If elected, I will ensure all laws are followed and applied fairly.	My opponent ignores the law and regularly breaks the rules.
I do not support nor will I vote for future tax increases.	My opponent voted to increase taxes.
Using my skills and abilities, I will bring improved decision making to the council.	The current council is made up of tax-loving bureaucrats.
I will bring fresh ideas to the city council.	The current city councilmembers are unimaginative and have offered no new Ideas.
I do not support the following projects...	My opponent supports many risky projects.
Using my background in finance, I will make sure your money is spent wisely under my guidance.	The incumbent has wasted taxpayer's money and has cost you millions of dollars on poorly run projects.

How to submit your online voters' guide information

Your voters' guide submission is important. We recommend you submit your information as early as possible. Late submissions will not be accepted.

Submit your photo and statement online when you file, through the email link for submission received after filing.

Submission deadline

The deadline to submit your Candidate Statement for the Local Voters' Pamphlet is

4:30 p.m. on May 20, 2025.

Late or incorrect submissions will not be accepted. If a submission is not received by the deadline, the text "No Statement Submitted"; and "No Photo Submitted" will appear in the applicable sections.

Rejected statements

All or any part of a candidates' statement may be rejected if it includes biographical information, statements, photos, or contact information that:

- Is obscene;
- Is libelous;
- Contains a commercial advertisement;
- Contains matter prohibited by law from distribution through the mail;
- Contains matter not limited to the candidate himself or herself or the political office
- Contains matter that is otherwise inappropriate or that does not comply with applicable law; or
- Was received after the submittal deadline.

Candidates that have had any portion of their statement rejected will be notified in writing (email) and by phone. Candidates will have 3 days following notification to appeal the rejection.

The Auditor will render a final decision on the appeal within 2 days.

Provisions applicable to all statements

The contents of the statement, photo, and contact information are the sole responsibility of the authors.

Submissions don't represent the position of the Lewis County Auditor. Likewise, the Lewis County Auditor is not responsible for the validity or accuracy of submissions. Spelling, grammar, and punctuation errors will not be corrected. Submissions will be printed exactly as received, as long as they comply with format specifications and content rules.

Once the candidate statement and photo deadline has passed, all statements and photos submitted are final. They cannot be amended by the candidate.

Reviewing your submission

Lewis County Elections will email each candidate upon approval of their candidate statement and photo. The email will include a proof copy (screen shot) of what will appear in the pamphlet once it is published. Upon receipt of the email, candidates should ensure that there are no discrepancies between the proof copy and the information they submitted.

No changes to the originally submitted statements or photos will be accepted.

The administrative rules - what the law says

[RCW 29A.32.230](#) requires the Auditor to adopt and publish administrative rules governing the format and content of the Local Voters' Pamphlet. These rules must include: (a) Limits on the length and deadlines for submission of candidates' statements; (b) the basis for rejecting all or any part of a candidates' statement; and (c) an administrative appeal process in the case of such rejection.

Post-Election Information

The steps to take to assume office after the election has been certified

Chapter 09

Get qualified

Once you have been elected, you must be “qualified” before you can actually assume office in local government.

Per [RCW 29A.04.133](#), “qualified” means:

- The election results have been certified
- Any required bond has been posted
- The winner has taken the oath of office

Certification of election

In Washington State, the General Election results are certified 21 days after the date of election. This means the election is complete and the results are official.

The Lewis County Elections office will then prepare and send all oaths of offices to the election winners.

Oath of office

Newly elected officials typically begin their term on the first day of January following the General Election. The oath of office may be given up to 10 days prior to assuming office.

It is recommended that newly elected officers take their oath of office prior to January, as this ensures that they are able to legally take office on January 1.

The oath must be given and certified by any officer or notary public authorized to administer oaths. This includes, but is not limited to the following officers:

- Judges and Notary Publics – [RCW 5.28.010](#)
- Clerks of the Courts – [RCW 2.32.050](#)
- County Commissioners – [RCW 36.22.120](#)
- County Auditors or Deputies – [RCW 36.22.030](#)
- Town Clerks – [RCW 35.27.220](#)
- School Officials – [RCW 28A.343.360](#)

Once you take your oath, it must then be filed and retained by the County Auditor Recording Department.

Assuming office

When does the election winner assume office?

Most newly elected or re-elected local officials take office on January 1 following the General Election. However, if the office is currently held by a person who had been appointed to fill a vacancy, the newly elected official may assume office immediately after becoming qualified.

The terms for Supreme Court justices, judges of the Court of Appeals, Superior Court judges, District Court judges, municipal court judges and state legislative offices all begin on the second Monday in January.

County, city and town officials may take an oath either at the last regular meeting of the governing body for which they were elected or within 10 days before the term of office begins. January 1st is the beginning of terms for county officials, except for charter counties that specify otherwise. January 1st is also the beginning of terms for special purpose districts, with the exception of school district directors or districts where ownership of land is a prerequisite of voting (e.g. diking or flood control districts).

School district directors’ terms of office begin at the first official meeting of the board of directors after certification of the election results.

Unexpired terms and short terms also begin immediately after certification of the election. Officials elected to these offices must be administered an oath before assuming the duties of the office.

What if the election winner fails to take office on January 1?

Until the winner becomes qualified, the incumbent will continue to hold office.

If you decide you do not want your name on the ballot, your signed withdrawal form must be received by Lewis County Elections by the close of business on the Monday immediately following Candidate Filing Week. A Withdrawal of Candidacy form is located on page 16 of this guide.

Write-in candidates

In accordance with recent legislation, write-in candidates are required to file a declaration of write-in candidacy in order to be counted. Write-in candidates may submit their declarations up until 8 p.m. on Election Day.

Candidates who submit their write-in candidacy prior to the 18 day deadline before the Primary or General Election are not required to pay a filing fee. If a candidate wishes to file on or after the 18 day deadline, **they must pay the filing fee.**

Filing fees must accompany the declaration and are non-refundable. The amount depends upon the office and annual salary.

- The filing fee is equal to 1% of the office's annual salary, if the salary exceeds \$1,000.
- The filing fee is \$25 for offices with an annual salary of \$1,000 or less.

You may not file as a write-in candidate if you were a candidate for the same office in the preceding primary or you are already a candidate for a different office. (Other than PCO or Freeholder)

Write-in candidates must meet the same qualifications as any other candidate for that office.

Declaration of Write-in Candidacy filing forms are available at www.vote.wa.gov.

Special filing period and vacated offices

If a race lacks a candidate after the close of the regular filing period and before the primary, a special filing period opens for three business days. RCW 29A.24.181

Such three-day filing period shall be fixed by the Auditor.

Filings during special filing periods are conducted in the same manner as regular candidate filing periods.

If an office is filed for during a special filing period, the race skips the Primary to appear on the General Election ballot.

Providing an email address is important when filing for office!

RCW 29A.08.720 Registration, voting records—As public records—Information furnished—Restrictions, confidentiality.

(1) In the case of voter registration records received through the department of licensing or an agency designated under RCW 29A.08.310, the identity of the office or agency at which any particular individual registered to vote is not available for public inspection and shall not be disclosed to the public. Any record of a particular individual's choice not to register to vote at an office of the department of licensing or a state agency designated under RCW 29A.08.310 is not available for public inspection and any information regarding such a choice by a particular individual shall not be disclosed to the public.

(2) Subject to the restrictions of RCW 29A.08.710 and 40.24.060, precinct lists and current lists of registered voters are public records and must be made available for public inspection and copying under such reasonable rules and regulations as the county auditor or secretary of state may prescribe. The county auditor or secretary of state shall promptly furnish current lists of registered voters in his or her possession, at actual reproduction cost, to any person requesting such information. The lists shall not be used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the lists and labels may be used for any political purpose. The county auditor or secretary of state must provide a copy of RCW 29A.08.740 to the person requesting the material that is released under this section.

(3) For the purposes of this section, "political purpose" means a purpose concerned with the support of or opposition to any candidate for any partisan or nonpartisan office or concerned with the support of or opposition to any ballot proposition or issue. "Political purpose" includes, but is not limited to, such activities as the advertising for or against any candidate or ballot measure or the solicitation of financial support.

RCW 29A.08.740 Violations of restricted use of registered voter data—Penalties—Liabilities.

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.
